Heavy Equipment Operator - Class 08 21 Weeks

The heavy equipment operator program offered at Canadian Training Institute Inc is designed to provide students with the skills and experiences needed to meet the demands of today's employers. Well-trained, professional heavy equipment operators are in demand. The aim of Canadian Training Institute Inc is to train you to become a world-class operator.

Students will gain practical experience on the machinery as well as equipment operation safety, and preventative maintenance.

The program also offers: regulations and emergency procedures; customer services; workplace skills; WHIMIS; Transportation of Dangerous Goods; Traffic Control Person; Power Line Hazards; Trenching; and more!

Equipment

Students will train on three of the following pieces of equipment:

Backhoe
Excavator
Front End Loader
Tandem Dump Truck

Successful graduates will receive a Class 08, 09A, and 03(if applicable) distinction on their license.

Prerequisites

Valid Class 05 license - Students who choose to train on the tandem truck will also require two years driving experience.

Grade 12 or equivalent, or mature student status.

"Three of the managers that I work with are graduates from Canadian Training. One guy became the foreman in little over a year."

-Jerry w.

Commercial Driver - Class 01 13 Weeks

There is currently high demand for workers within the transportation field. Companies are searching for trained employees with a positive attitude, safety awareness, and good driving skills. Our aim is to prepare students to enter this growing field.

Students will gain practical driving experience coupled with in class learning in a small group environment. This program offers students guaranteed time on the equipment; loaded trailers; and rural, urban, day and night driving. Students will also receive training in: air brake endorsement; brake adjustment; defensive driving; pre-trip inspection; dangerous goods; route planning; preventative maintenance; power line hazards; WHIMIS and more.

Prerequisites

Valid Class 05 license with two years experience.

Grade 12 or equivalent, or mature student status.

Successful graduates will receive a Class 01, and Class 9-A on their license.

"My experience at Canadian Training Institute was exceptional. The staff were very knowledgeable and willing to go the extra mile. I'm very glad that I chose Canadian Training Institute"

-Sterling H.

Commercial Driver - Class 01 Upgrade from Class 03 6 Weeks

There is currently high demand for workers within the transportation field. Companies are searching for trained employees who are able to operate commercial vehicles. The commercial driver program offered at Canadian Training Institute will prepare students to enter this growing field.

This program is designed for students who already hold a Class 03 license and wish to upgrade to a Class 01. The program will build up past tandem truck experience in order to produce safe, confident drivers. Students will learn how to tow, and back a trailer, as well as coupling/uncoupling.

Prerequisites

Valid Class 03 license -
with experience

Grade 12 or equivalent, or mature student status.

Successful graduates will receive a Class 01, and Class 9-A on their license.

"My experience at Canadian Training Institute was exceptional. The staff were very knowledgeable and willing to go the extra mile. I'm very glad that I chose Canadian Training Institute"
